Dear parents,

The sun is shining, and our children have enjoyed school immensely over the last two weeks, we have lots to share with you and lots to celebrate.

VE day celebrations were a huge success last week. The children enjoyed a very special worship with Mrs Novacki where they enjoyed 'news round' from London. This was followed by a very special afternoon tea and celebratory dancing, where we acted out that very special event 80 years ago!

I love this photo of our whole school family, it really shows how lucky we all are. Gorgeous children who are inspired to thrive by our dedicated, loyal and experienced staff. This photo reminded us all just how happy we are, all the time!

The children in class 1 have amazed me this week with their work in Geography. They have been comparing Africa to the United Kingdom and all children were able to engage in this group activity. They had to work as a team to ensure the correct picture was allocated to the correct country, this prompted lots of discussion!

The children in class 2 became silk weavers this week in their art topic. The determination, dedication and precision displayed by all the children in this activity was incredible. The finished results were excellent!

Class 3 are learning the trumpet this term in preparation for their performance with the Halle at Bridgewater Hall later in the summer term. Their new music teacher is so impressed with our children and their dedication to a new skill, well done class 3!

This week the year 6 children sat their SATs which are statutory across all schools when a child is in their last year of primary school. We could not be prouder of the children in year 6 who have worked hard all year for these tests. They are the most resilient, determined and hard working cohort and they take all challenges in their stride. All this week they have been calm and focussed and ensured every paper was given 100% effort at all times. However, we are most proud of the way they have supported each other and enjoyed the journey as a team. They have cheered each other on, ensured strength was shared when needed and walked with each other every step of the way. Incredible!

Year 6 and I have loved our daily breakfast each morning, next week just won't be the same!

In year 6 the children are treated like kings and queens each morning, in SATs week, this is very much a 'Pott tradition' to ensure our children enjoy the week and do their best. Year 6 shone like stars this week, enjoy your weekend - you deserve it!

As you can see it has been very difficult to pick just two merit winners this fortnight, here are our stars this week and last!

Class 1	Class 2	Class 3
Felicity Horacio	Clark Albie	Daisy Year 6

Please don't forget it's our annual quiz night at school tonight. This is to raise money for our playground, and we would love to see as many of you as possible.

This quiz is for the whole family, with great prizes to be won!
As always thank you for your continued support.

Kind regards
Mrs Willis
